The screenshot displays the Microcat software interface. At the top, the browser window title is "Ford Europe - Microcat - Catalogue: Fiesta CX 1989-1996, No date entered." The address bar shows "http://www.fordeurope.microcat.net". The interface includes a menu bar with "Catalogue", "Navigation", "Order List", "Views", "Preferences", "Training", and "Help". A toolbar contains various icons for navigation and search. The main content area shows a technical drawing of a car part, likely a wheel hub or brake assembly, with various components labeled with part numbers. A "Microcat Catalogue Preferences" dialog box is open, showing the "Personal Preferences" tab. The dialog box has three sections: "General Preferences", "Personal Preferences", and "Other Preferences". Under "General Preferences", there are dropdown menus for "Microcat Language" (set to English) and "Parts Description Language" (set to English), and a checked option for "Play sound on order". Under "Personal Preferences", there are color selection buttons for "Order Highlight Colour" (red), "Search Highlight Colour" (green), "Roll Over Highlighting ON" (green), "Correct Part" (green), "Incorrect Part" (red), and "Selective Fit" (blue). Under "Other Preferences", there is a "Colour Defaults" button. The bottom of the interface features a data entry form with fields for "MAJOR: FIESTA CX 1989-1996", "SECT:", "DESC:", "CALLOUT:", "DISC CD:", "MLR:", "FIHS:", "MOTORCRAFT:", "FROM:", "TO:", "SURCHARGE:", "OSI:", and "PRICE:". The Microcat logo is visible in the bottom left and right corners.
